

Sally Williams[®]

Sally Williams Fine Foods (Pvt) Ltd is a company dedicated to the production of confectionary. To maintain high quality, safe food products, Sally Williams Fine Foods shall;

1. Ensure that the Food Safety policy conforms with food safety requirements of customers and other interested parties.
2. Maintain high levels of hygiene practice and standards by complying with the international hygiene requirements and the personal hygiene policy.
3. Comply with the requirements of the Food, Cosmetics and Disinfectant Act, the Consumer Protection Act and all legislation in countries we export to.
4. Comply with internationally recognized Good Manufacturing Practices, maintain the FSSC 22000 certification and improve on the system where applicable.
5. Create a high level of food safety awareness among suppliers, staff, contractors and other interested parties through effective communication and training and strive to instill a food safety culture within the factory.
6. Set measurable objectives, monitor performance and continuously improve the safety of products we manufacture.
7. Ensure that the policy is reviewed for continued suitability on an annual basis
8. Ensure that sufficient resources are committed to achieving the requirements of the Food Safety Policy
